

HERO Exercises

Happiness • Enthusiasm • Resilience • Optimism

HAPPINESS & ENTHUSIASM ARE LINKED TO LONGEVITY

1. To increase your happiness, let's work on strengthening your happiness muscle. Take a moment and write down two positive things that you'd like to experience today. Also, two to three times today, find a few minutes to visualize and relish these positive experiences.

- a. _____

- b. _____

2. Having a goal or a project that inspires you will increase your enthusiasm. Write down two projects you find inspiring and set a start date. Put the date on your calendar with reminder alerts – make it happen and watch your enthusiasm improve!

- a. _____

- b. _____

The HERO exercises are intentionally repeated every 8 days because repetition is crucial to learning and incorporating new ideas. After today, review your previous HERO exercises, as research shows that reflecting on past thoughts about wellness further strengthens and solidifies your HERO wellness traits.

Enthusiasm moves the world.
~ Arthur Balfour
